

Casa de Antonia de Cantoria - SR 1072

A country house in the Oria area

Property Attributes

Country House • Detached • Habitable

Land area - 2 hectares

Water ✓ Electricity ✓ Telephone ✗

Description

Two single-storey, semi-detached houses that are to be sold together, They would make a large detached property or a nice B & B business.

There are various outbuildings that could be converted and animal corrals.

The property has about 2 hectares of land, some is hillside and some is terraced and irrigated with various fruit and Almond trees.

Water and electricity are both connected and there is also a water deposit tank for irrigation water. The access is reasonable, with the last half Killometer by track.

Awaiting full details and photos of the inside.

165,000 Euros
