

Casa de Carmen de Ramon - SR 1071

A town house in the Somontin area

Property Attributes

Town House • For Renovation

2 bedrooms

Total Rooms - 7 rooms

Water ✘ Electricity ✘ Telephone ✘

Description

A two-storey mid-terrace house that needs refurbishing. Entry is from the street into a hallway that gives access to five rooms downstairs. To the rear is a small walled garden.

Upstairs there are one room, a pigeon loft and a south facing roof terrace with nice views.

Water and electricity are to houses next door so easily connected.

Good access to town square with parking. 50 metres to house.

45,000 Euros
